Pierce County Public Health Offers Free, Walk-In COVID-19 Vaccine Clinics in Your Community in May

Pierce County Public Health is changing things up to make getting the COVID-19 vaccine as easy as possible. Starting next week, Public Health will provide a series of mobile vaccine clinics in many Pierce County communities.

No appointments are needed. Anyone aged 18 or over can walk into one of these mobile clinics and get a vaccine. Vaccinations are completely free. No proof of residency or employment is needed. The Moderna vaccine will be available at these clinics.

“The goal with these hometown clinics is providing busy families with an opportunity for a free, efficient, no wait vaccination opportunity. These clinics are designed to get you in and out in about 20 minutes,” said AZ Snyder, Health Officer/Public Health Director.

Upcoming Dates and Locations of Clinics:

- Tuesday May 4th Time: 4PM-6PM, Ellsworth Elementary School
- Thursday May 6th Time: 4PM-6PM, Plum City High School
- Saturday May 8th Time: 10AM-Noon, Spring Valley High School
- Tuesday May 11th Time: 4PM-6PM, River Falls High School
- Thursday May 13th Time: 4PM-7PM, Prescott Malone Intermediate School

For more information, call 715-273-6755.
